

Hand pallet truck PROLINE with extended forks and increased capacity

Capacity 2000 - 3500 kg

For the professional transportation of long palletised goods and box pallets under demanding conditions.

Features

- Ergonomic safety control handle for one-hand operation of lifting, driving and lowering.
- Ergonomic rubber control handle for safe handling.
- Low maintenance high performance hydraulic pump with hard chromium plated piston and pressure relief valve.
- Frame and forks in robust steel construction, adjustable connecting rods, especially hardened axles and the high quality powder coating ensure a long life expectancy.
- Fork lengths from 1500 up to 3000 mm for transportation of long goods.
- Steering angle of 105 degree to each side for easy handling in confined spaces.

With extended forks up to 3000 mm and increased capacity up to 3500 kg.
